</table>

BETTER COST EFFECTIVE with X-4!

Company P used to affix 3,000pcs of label every day on the packing material manually. X-4 can imprint directly on the packing material so that label cost and manual workload is saved now! \[3,000\text{pcs/day} \times 20 \text{days/month} \times 2.20\text{yen/label} = 132,000\text{yen}\]
